## CONTINENT WIDE CHILDREN'S WEEK

The International Sunday School Association has designated May 5-12, 1918, "Children's Week." There are twenty-five million children in the United States and only about thirteen million are receiving religious education. These children are dependent upon parents, teachers and other adults for the provision of all their needs.

The object of the observance of this week will be to assist the parents and

Sunday School teachers of the communities of the North American continent to provide religious nurture and education for the children under their care. The program and parents; a canvass of the community for the purpose of enrolling children in the Sunday Schools; a campaign for better equipment, organization and teaching; community social meetings and special church services.

Children's Week begins with Kentucky's Go-to-Sunday-School Day, May 5, and closes with Parents' Day,

making this an ideal time for carrying out such a program.

Details of the plans and program can be secured free from the Kentucky Sunday School Association, Rev. George A. Joplin, General Secretary, 712 Louisville Trust Building, Louisville, Ky.

Earl, the ten-year-old son of Mr. and Mrs. William Jones of East Second street, who fell and severely bit his tongue several days ago, is coming around all right.

## NOTICE OF CONGREGATIONAL MEETING

By order of the Session of the Central Presbyterian Church there will be a Congregational meeting held Friday, May 3, 1918, at 7:30 p. m. to take action on union with the First Presbyterian Church. It is important that every member be present.

CHARLES B. HOLLSTEIN,  
Clerk of Session.

Dr. and Mrs. W. H. Taulbee are spending today in Cincinnati.

## FOUNTAIN OF YOUTH

It is not a myth, but a reality and women may find it in perfect functional health. Women who want to grow old gracefully should guard against all organic weakness and de-rangements, and at the first symptom of such conditions resort to Lydia E. Pinkham's Vegetable Compound, nature's own root and herb remedy, to restore health. For three generations women of America have depended upon this successful remedy and have found no other medicine to equal it.

## ELKS EXCURSION TONIGHT

On the Homer Smith Will Probably Be the Last Out of Here For Some Time—Boat Leaves at 8 O'clock.

Under the auspices of the Maysville Lodge of Elks the Steamer Homer Smith will run a moonlight excursion out of this city tonight. This will probably be the last boat excursion out of this city for some time as the Smith leaves tomorrow for Pittsburg, where it expects to remain until late in the summer.

Indications are that tonight's excursion will be one of the biggest ever out of this city. Quite a number have signified their intentions of going and a good time and perfect order is assured by the fact that the local lodge of Elks is to have charge.

There will be plenty of good music and dancing. The boat leaves Market street promptly at 8 o'clock.

Mr. Walter Headley of Canton, Ohio, is a business visitor in the city today.

## SUBMARINE BASES

Of Germans Raided by British and Attempt Is Made to Bottle Them Up With Concrete Laden Vessels.

London, April 23—British naval forces today raided the German submarine bases of Ostend and Zeebrugge, the Admiralty announces. Five old cruisers which had been filled with concrete for use in blocking the channels were run aground, blown up and abandoned by their crews.

The Admiralty reports that according to incomplete information thus far received the raid met with a reasonable measure of success. The statement follows: "Early this morning a naval raid was made on Ostend and Zeebrugge, which are being used by the enemy as destroyer and submarine bases. Our forces are returning and the scanty information so far received is to the effect that the raid met with a reasonable measure of success."

With the exception of covering ships, the force employed consisted of auxiliary vessels and six obsolete cruisers. Five of these cruisers, filled with concrete, were used as block ships, and after being run aground were, in accordance with orders, blown up and abandoned by the crews. A further communique will be issued when reports have been received from the ships which are now returning to their bases.

"No report of casualties has yet been received."

The ports of Ostend and Zeebrugge, on the Belgian coast, are the principal bases for the operations of the submarines in their campaign against shipping in the North Sea and English Channel. They are of great importance to the Germans for this purpose and it has been recognized by the Allies that to deprive the enemy of them would be one of the most effective of dealing with the submarine.

## Official Night Statements

Paris, April 23—Aside from heavy artillery duels near Hangard-En-Santerre and west of Noyon, Tuesday passed quietly, along the French front, according to the French official communication issued tonight. There were no infantry engagements.

London, April 23—The British gained ground today east of Robecq, according to Field Marshal Haig's report tonight, and improved their position around Meteren. Numerous prisoners were captured.

Berlin, via London, April 23—The official communication from general headquarters tells of the activity of the British between Lens and Albert, and records the repulse of the British in an attempt to retake grounds previously lost.

## POSTAL STATION NO. 3

Postmaster M. F. Kehoe is in receipt of word from the Postoffice Department authorizing the opening of Postal Station No. 3 in the J. C. Pecor Drug Company building at 22 West Second street with J. Clayton Pecor, Clerk in charge.

Station No. 3 was for a number of years located in the Chenoweth Drug Store at the corner of Second and Sutton streets, but owing to this concern suspending business the selection of a new location became necessary.

Postmaster Kehoe plans to have the new station open on May 1. The Department certainly made no mistake in its selection and it will be highly satisfactory to the patrons of this station.

## SHOSTHORN BREEDERS

Meet at Chamber of Commerce and Perfect Organization—Officers Elected.

The short horn cattle breeders of Adams and Brown counties in Ohio, and Lewis and Mason counties held a meeting in the assembly hall of the Chamber of Commerce Saturday afternoon for the purpose of organizing a short horn breeders association.

Quite a large delegation assembled and discussed the advisability of some such organization and it was the consensus of opinion of all present that a great good could be accomplished in promoting the interests of the short horn breeders by such an organization.

Mr. W. B. Holton, of Lewis county, was elected president and Mr. Francis McIntyre, of Fernleaf, secretary. The organization donated some \$650 for the purpose of purchasing registered short horn cattle which are to be sold at the Red Cross meeting during the week of April 20 to 27 and the proceeds given to the second war fund campaign of the Red Cross.

Mrs. Louis Wohleber is visiting her brother in Portsmouth, Ohio.

## MAYOR'S PROCLAMATION

Whereas, the Kentucky Sunday School Association, and organization representing all of the Sunday Schools of our state, has appointed May 5, 1918, as a Go-to-Sunday-School Day, hoping to have one million people in Sunday School that day; and

Whereas, we all desire to produce a greater and a better Kentucky and believe that one of the most helpful ways of securing better citizens is by gathering ourselves together in the Sunday School to study the word of God; Therefore, I, Mayor of Maysville do call upon all of our citizens to cooperate in the Go-to-Sunday-School Day Campaign and urge all the inhabitants of our town and the visitors who are among us to attend Sunday School on Sunday, May 5th, 1918.

## Mr. Leon Merz, President of the "ROYAL" Shirt Waist Factory, Writes To Us As Follows:

"I have saved for Maysville all of the silk waists that have accumulated this season, either as odds or those with slight imperfections which we sell as seconds. Our seconds run, you know, about as well as the average waist on the market but on account of the high standard which the 'ROYAL' maintains with its clientele, all waists with imperfections, however slight are rejected. This lot contains a great many Japanese silk which are going to be featured most strongly this spring and summer. The price of this silk has increased enormously of late and the price at which we are billing these waists to you, gives you a wonderful opportunity to offer to the Maysville ladies beautiful 'Royal' Waists at less than they could buy the silk.

"There will be no more this season and I am pleased to tell you that every waist that the 'Royal' factory can make during the spring season of 1918 has been sold and new orders are impossibilities with us. I trust therefore that the exceptional opportunity which I am giving you for your loyal customers will find a hearty appreciation for the unusual values."
